

**DIMENSIONS**

24" w x 24" t x 24" d

MATERIALS

Solid OSB (Oriented Strand Board), which is a mix of fast-growth hardwoods.

DESCRIPTION

Designed primarily as a sculptural work of art, the Sphere can double as extra seating when entertaining. Its solid round shape radiates a quiet strength, while the off-center cutout near its base lets light and environment create spatial shadows. Designed by Travis James. Manufactured by MAY Furniture Co. in Brooklyn, NY. Available in Natural, Whitewash and Black.
