

**DIMENSIONS**

10"h x 2"w x 1.5"d

**MATERIALS**

Bronze with Natural Patina, Wax Finish

**DESCRIPTION**

This bronze door knocker brings old world craftsmanship and unadorned utility together to create a minimalist sculpture. The hefty weight of the handle feels good in your hand, and has slightly recessed sides to intuitively grasp. The bronze is a living finish patina, which will naturally wear and color according to use and environment.
